Financial Responsibility/Assignment of Benefits

I understand that I am responsible for paying my co-payments and deductibles at the time of service. I also understand that I am responsible for any balance due after payment by my insurance company.

I, the undersigned, understand that Prime MD will bill my insurance company for services rendered upon verification of coverage by my insurance company. If my insurance company fails to render payment for services rendered, I hereby personally guarantee payment for my medical care and services rendered. If your insurance company does not remit payment within 60 days, the balance will be due in full.

I hereby request that my insurance carrier make payment directly to Prime MD for all services rendered by this facility. If my current policy prohibits direct payment to Prime MD, I hereby instruct and direct my insurance company to make the check out in my name but send the check to the listed address of Prime MD.

If my insurance carrier makes a payment to me, I agree to immediately pay over these funds to Prime MD. I also authorize Prime MD to deposit checks received on my account when made out to me.

I understand and agree that if I fail to make any of the payments for which I am responsible in a timely manner, I will be responsible for all the costs of collecting monies owed, including court costs, collection agency fees and attorney fees.

Medical Appointment Cancellation/No Show Policy

Thank you for trusting your medical care to Prime MD. When you schedule an appointment with Prime MD, we set aside enough time to provide you with the highest quality care. Should you need to cancel or reschedule an appointment please contact our office as soon as possible, **no later than 24 hours prior** to your scheduled appointment. This gives us time to schedule other patients who may be waiting for an appointment. **Please see our Appointment Cancellation/No Show Policy below:**

- Any established patient who fails to show or cancels/reschedules an appointment and has not contacted our office **at least 24-hour notice** will be considered a No Show.
- On the first occurrence, you will be given a warning
- From the second occurrence you will be charged a **$45.00 fee**.

  If a fourth No Show or cancellation/reschedule without a 24-hour notice should occur the patient will no longer be able to schedule appointments in advance. <u>You will be seen on a walk-in basis.</u>
- Any new patient who fails to show up for their initial visit will be given **one** additional appointment. If you are again no show for the second new patient appointment, no further appointments will be scheduled.
- The fee is charged to the patient, not the insurance company, and is **due at the time of the patient's next office visit**.

We understand there may be times when an unforeseen emergency occurs, and you may not be able to keep your scheduled appointment. If you should experience extenuating circumstances, please contact the Office Manager to discuss your situation. You may contact Prime MD during normal business hours Monday through Friday. Should it be after regular business hours you may leave a message, and we will return your call the next business day.

I have read and understand the Medical Appointment Cancellation/No Show Policy and agree to its terms.
